

**Centre of Biotechnology,
SOA University, Bhubaneswar, Odisha
is organizing a workshop on**

**“Bioinformatics: Converting Data
To Knowledge (BCDK-10)**

REGISTRATION FORM

Name: Mr. / Ms.

.....

Organization:

.....

Designation:

.....

Mailing Address:

.....

.....

.....

PIN.....

Phone: (Office):

.....

(Residence).....

Email:.....

Date:

Signature:

Organizing Committee

Prof. S.C. Si	Chairman
Prof. Sanghamitra Nayak	Convener
Mr Enketeswara Subudhi	Co-convener
Mr. Alok Prasad Das	Coordinator
Dr Laxmikanta Acharya	Member
Mr Manoj Kumar Panda	Member
Mr Raj Kumar Joshi	Member
Ms Sikha Singh	Member
Ms Sujata Mohanty	Member
Mr. Patitapaban Dash	Member

Invited Scientist

Dr. Surajit Basak, Scientist II
Biomedical Informatics Centre
National Institute of Cholera and Enteric
Disease, Kolkata

**Workshop on
Bioinformatics: Converting
Data To Knowledge
(BCDK-10)**

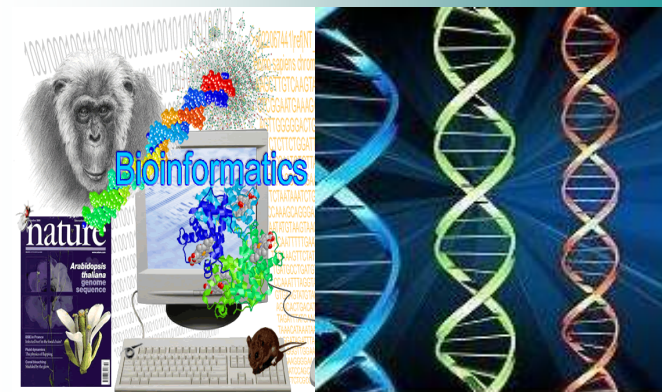

August 7-8, 2010

ORGANIZED

By

**Center of Biotechnology,
Siksha O Anusandhan University,
Bhubaneswar, Odisha**

About The Organization:

Centre of Biotechnology, is a constituent institute affiliated to Siksha O Anusandhan University, Bhubaneswar, declared U/S 3 of the UGC Act, 1956 . It was established in the year 2007 to foster the need of biotechnology and life science research in eastern India. The institute is actively engaged in advanced research in the realm of plant, microbial and molecular biotechnology. The institute also imparts two years of postgraduate programme in Industrial Biotechnology and PhD programme under Siksha O Anusandhan University.

About The Workshop:

The Workshop under theme **BIOINFORMATICS: CONVERTING DATA TO KNOWLEDGE (BCDK-10)** brings together students, academicians, researchers and practitioners to share knowledge on recent trends in the area of Bioinformatics. In this workshop we wish to discuss Bioinformatics its Prospects and Applications to explore the possibility in solving different biological problems.

Venue:

The workshop will be held on 7-8 August 2010 at Conference Hall, IBCS, SOA University, Bhubaneswar, Odisha .

Topics:

Preliminary Seession

Introductory lecture

Bioinformatics: Prospects and Applications

Hands-on-Training

- Session 1: - Bioinformatics: Tools, Techniques and Resources
- Session 2:- Genome Annotation and Function prediction
- Session 3: - Problem Based Approach

Important Dates:

Receiving filled up applications **24.07.2010**

Intimation of selection **02.08.2010**

Who Can Apply?

This workshop is mainly intended for the participants from, M.Sc. M.Tech (Biotechnology, Bioinformatics, Life sciences), or B.Tech. (Biotechnology, Bioinformatics), M.Pharma and other scientific personnel who either work in Bioinformatics or are interested in understanding how to incorporate such data into their research .

How to Apply?

Interested participants may send their filled in application in prescribed format along with the registration fees mentioning the benefit of attending this workshop, with their complete bio-data to Mr. Alok Prasad Das, Coordinator (alok1503@gmail.com). The selected candidates should bring a proof of identity (photo ID etc.) for the workshop. Outstation candidates are allowed for spot registration on the date of workshop.

Registration Fees: Per Delegate:

Students	Rs 400/-
Others	Rs 800/-

The registration fees include workshop materials and working lunch for all the days of the workshop. A participation certificate will be issued to all the participants.
